

# ORGAN DONATION AWARENESS PROGRAMME

CMS College of Education, Ganapathy, Coimbatore, in collaboration with the Organ Donation Awareness Team from Sri Ramakrishna Hospital, Coimbatore, successfully conducted an Organ Donation Awareness Programme on 7<sup>th</sup> March 2025. The programme was held at the Mahatma Gandhi Auditorium in the college campus. The Organ Donation Awareness Team from Sri Ramakrishna Hospital delivered an informative and inspiring presentation on the significance of organ donation. The session aimed to educate students and staff about the life-saving potential of organ donation and to dispel common myths and misconceptions surrounding it.

## **Key highlights of the programme included:**

- ✓ The need and importance of organ donation in saving lives.
- ✓ Legal and ethical aspects related to organ donation in India.
- ✓ Personal stories and testimonials that deeply moved the audience.
- ✓ Interactive Q &A sessions where attendees actively participated.

The awareness programme created a significant impact, instilling a sense of social responsibility among the participants. Motivated by the enlightening session, many attendees came forward to register themselves as organ donors, showing their willingness to contribute to this noble cause.

In addition to the awareness talk, a thought-provoking drama was presented by the students of Sri Ramakrishna College. The drama creatively depicted real-life situations emphasizing the importance of organ donation, and how it can bring new life to patients in need.

The performance was very engaging and left a strong emotional impact on the audience. The drama effectively conveyed the message in a simple yet powerful way, drawing great appreciation from all present.

As a result of the programme, many participants expressed their willingness to support the cause and registered themselves as potential organ donors.
